Hi! We're reporting to you here from St Pius X Year 5 classroom. Here is some news.
On Monday Year 5 we started our CWA project on Botswana, we all got very excited. On Tuesday Year 5 and 3 started our first big test this year. NAPLAN!!! Our first was Language Conventions, some refer to it as spelling and Grammar. Our next subject was writing, we had to write an exposition to change a rule or law. On Wednesday we did our next big NAPLAN test this subject was reading, we had to read some passages and answer questions. We also went to the computer room and did some research on Botswana. On Thursday we did our last big NAPLAN test and the subject was maths. Once our maths was over we jumped with joy because our tests were over. The band got new stands and we were all very excited. Years 4, 5 and 6 went to PSSA. Congrats to everyone that achieved an encouragement award.

Week 4 by Lachie and Liam

This week was pretty normal except for the Peachey Cup.
On Monday we did Maths, English, Religion etc. So Monday was pretty ordinary. On Tuesday all the boys from Year 3 and up went to the Peachey Cup except for a few boys from each class. At Peachey Cup the boys played three games of football. the Year 5 & 6 boys did not make it to the semi finals but did really well. They won 2 games. One against Trangie and one against Mudgee. They lost against Narromine but had a fun day and played well.
On Wednesday we used our new Chrome books (which are like laptops) and got some info for our space project. We got a lot of info. On Thursday we were meant to have high jump trials but it got cancelled so only the Year 2 and 3 had high jump.

Tomorrow we have PSSA soccer, football, netball and league tag. Then we have normal work that we do each day. We had a really fun week like always.
Peer Support Training with Yr 6 and our Peer Support Session

A Visit from Mr Richard Allcock from the Bible Society.
We have started learning skills needed for us to complete our Christmas Art Project and have been lots of activities.
We have been doing lots of activities on the new Chrome Books. Thank you to the P and F for them.
