MRS FARDELL’S VISIT

Mrs Fardell visited Year 6, as she is an ex-politician and we are learning about “Government” for our H.S.I.E. topic this term.

She talked to us about what it’s like to be a politician and the rules of Government.

It was a very interesting discussion as we had many questions to ask her about her old job as a State and Local Member for Dubbo, Parkes Electorate. Mrs Fardell told us that it was very difficult at times as she was extremely busy! We enjoyed her visit because she made it easier for us to understand her job and the rules of Government.
