Catholic Schools Week was held the week of 10th to 16th March and it involved the communities of all 615 Catholic primary and secondary schools across NSW and the ACT. The theme this year was ‘Every Child Counts’. The main aim of Catholic Schools Week is to celebrate the strength and distinctiveness of Catholic schools across the State.

We had a lovely time celebrating Catholic Schools Week in our school. To begin the week, we joined with the three other Dubbo Catholic Primary Schools at St Brigid’s Church to celebrate mass together. In the days that followed, we had craft activities, where we created ‘little people’ for our ‘Every Child Counts’ display on the top playground lawn. Parents and family members were invited to join us for a picnic lunch and games afternoon. The children and grownups had a fantastic time helping one another take part in a variety of fun tabloid activities.
