Holy Week Celebrations

Last week Year 5 presented the Passion of Our Lord as part of the Holy Week liturgies. They began with the triumphant entrance of Jesus into Jerusalem where he was welcomed by the people cheering and waving palms. The celebration moved to the Last supper with Jesus breaking bread with his disciples at the Passover Meal. It was on this occasion that Jesus celebrated the first Eucharist with his friends. “Do this in memory of me”.

Jesus asked the disciples to stay awake and watch with him while he went into the garden to pray. They went to sleep.

Jesus was taken away to be crucified on the Cross.

Jesus gave his life for us That we may live forever, Come, Come, Worship and adore.
